

EXPERIENCE

PRIMAL WEAR (May 2013-Present) - Senior Artist

- started as the Design Intern for 3 months; rebuilding logos and creating stock vector artwork
- brought on as Production Artist for 1 year: organizing/optimizing files for screenprint and sublimation
- hired as Junior Designer in summer 2014 and worked my way up to Senior (current)
- daily tasks ranging from simplistic logo design to custom vector and raster illustrations...with a huge volume of work under strict deadlines for high profile clients (MLB, US Military, Grateful Dead, ACDC, Pink Floyd, Coors, Lefthand Brewery, Ataskan Brewing Co, and more)
- taken on more of a leadership role the last 3 years as the most senior designer:
 - training new hires
 - go-to for general customer/company design questions
 - spearheaded creation of our latest design style guide and customer-facing templates
